

# Benefits of Cedar Shake and Shingle Bureau Membership

[membership@cedarbureau.org](mailto:membership@cedarbureau.org)

## **NETWORKING**

- Being part of an over 100-year-old organization
- Association with the prominent Cedar Shake and Shingle Bureau (CSSB) name, Certi-label® brand & logo (as a member you can use the CSSB logo in your ads and signage)
- Networking with your peers as your name will appear in the registered CSSB MCI members list (which has more than 100+ members already)
- New territory development

## **PRODUCT DEVELOPMENT & MARKETING**

- Building Code monitoring & lobbying
- Product research & testing
- Trade Show participation
- Professional marketing support/advice & industry trend monitoring
- Customer direction to the individual state listings on the CSSB website
- CSSB printed literature at cost

## **EDUCATION**

- District Manager education seminars/support
- Roof application information, assistance & demonstrations
- Free technical advice for Certi-label® products
- AIA learning unit accredited courses:
  1. Western Red Cedar Shakes and Shingles: Identification, Application and Benefits
  2. Finishes/Coatings: Recommendations for Western Red Cedar Shakes & Shingles
  3. Grading & Inspection

## **BUSINESS OPPORTUNITIES**

- Product donation & sponsorship opportunities
- Member Contractor Installers can offer the Lifetime Limited Warranty from Member Mills
- Invitation to Non-Confidential Meetings, Annual General Meetings & events
- Enhance business relations

## **QUALITY CONTROL**

- Grading Rules updates
- Member Manufacturers must undergo random, regular, unannounced inspections from the Third Party Inspection Agency – this ensures the mills keep the Certi-label® brand quality

## **WEBSITE**

- Listing on the CSSB website under MCI members (100+ members already listed)
- Easy to follow online videos
- Mobile friendly website
- Instant access to online literature

**Cedar Shake and Shingle Bureau**  
The Recognized Authority since 1915
